### SAMSON Launches Web Store for Devices and Spare Parts in Germany

On 15 March 2021, SAMSON AKTIENGESELLSCHAFT launches a new web store for B2B customers in Germany. The products offered at [webshop.samsongroup.com](http://webshop.samsongroup.com) include devices, such as valves, actuators, valve accessories, self-operated regulators, as well as spare parts. Orders are billed upon shipment and shipped to addresses in Germany within 24 hours. Products exclusively available in the SAMSON web store include spare parts kits for SAMSON Type 3241 and Type 3321 Valves, SAMSON Type 3271 and Type 3277 Pneumatic Actuators, SAMSON Type 41-23 Pressure Reducing Valves as well as SAMSON Types 1 N, 1 NI and Types 2 N, 2 NI Silencers. All spare parts kits include genuine spare parts, the required mounting material and sealants as well as a pair of high-quality work gloves.

At the initial stage, the SAMSON web store will be available to B2B customers in Germany only. Further countries will follow.
